

Privacy Policy

ELEM Biotech SL, with NIF B-67260281 (hereinafter ELEM), will comply with the General Data Protection Regulation, the Organic Law on of Personal Data and the Law on Information Society Services, with regard to maintaining the confidentiality and processing of personal data provided voluntarily by users of this website.

ELEM complies with the necessary measures to ensure the security, integrity and confidentiality of data in accordance with the provisions of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data.

Legitimation and Purpose

The processing of the user's data is carried out with the legal bases that legitimize it, by the request for information and/or the contracting of ELEM's services; and by the free, informed and unequivocal consent, by making available to the user the present Privacy Policy, which after reading it, if the user agrees, can accept with a clear affirmative action, such as checking a box provided for that purpose.

ELEM informs that the personal data obtained through the forms on the website: <https://www.elem.bio/>, are included in the specific automated files of users of ELEM services.

The collection and automated processing of personal data that a user may provide is for the purpose of maintaining the business relationship; to carry out the services requested by the user; submission of information requested through the forms available at <https://www.elem.bio/>; sending newsletters and/or commercial communications of promotions and/or advertising of ELEM and the sector; and the performance of tasks of information, training, advice, and other activities of ELEM.

Security measures

ELEM has adopted the necessary technical and organizational measures to ensure the confidentiality, availability, integrity and resilience of its systems and processing services.

Conservation

The data provided will be kept as long as the relationship is maintained or the user does not request its deletion; and for the period for which legal liabilities may arise for the services provided.

Third-party

The data will not be disclosed to third parties, unless legal requirement. In the event that the data will be transferred to third parties, it will be for the sole purpose of complying with the mentioned purpose.

Terms of use

The user declares that all data provided are true and correct, and undertakes to keep them updated, communicating any changes to ELEM via email to contact@elem.bio.

If the user sends a resume to ELEM email addresses or has provided it through a third party job platform, that data will be processed by ELEM for the management of its personnel selection processes for vacant positions in the company. Upon acceptance of the user, ELEM will keep the contact information for future positions to be filled.

Users may exercise their rights of access, rectification, deletion, limitation of processing, portability and opposition by contacting ELEM at contact@elem.bio or Via Laietana 26, 4th Floor, B, 08003, Barcelona, Spain, accompanied by a copy of the ID.

Users may oppose the sending of commercial communications by sending an email to contact@elem.bio.

In any situation, the user will have the right to file a complaint with the Agencia Española de Protección de Datos (AEPD).

Disclaimer

The user is responsible with respect to the laws and regulations in force and the rules that have to do with the operation of the online service, e-commerce, copyright, maintenance of public order, as well as universal principles of Internet use.

The user shall indemnify ELEM for the expenses generated by any imputation in any cause whose responsibility is attributable to the user, including fees and legal defense costs, even in the case of a non-final court decision.

Transfers to third countries

ELEM informs that no international data transfers are made outside the European Union.

Intellectual and Industrial property rights

ELEM is the owner of all intellectual and industrial property rights, know-how and any other rights related to the contents of the website <https://www.elem.bio> and the services offered therein, as well as the programs necessary for its implementation and related information.

The reproduction, publication and/or non strictly private use of the total or partial contents of this website is not permitted without prior written consent.

ELEM reserves the right to modify its data Privacy Policy in the event of a change in current legislation, jurisprudential doctrine or due to its own business criteria.

If any changes are made to this policy, the new text will be published at this website.
